**INTERNATIONAL COUNCIL OF
MANAGEMENT CONSULTING
INSTITUTES**Amsterdam, Holland
www.icmci.org

In May 1987, thirty-two management consultants from ten countries met on the top floor of the Concorde LaFayette in Paris, France to explore the common ground between professional institutes which were known to certify individual management consultants. The congress was inspired and orchestrated by John Roethle FCMC, then Chairman of the Institute of Management Consultants of the United States. He was quickly supported by the Institutes of Management Consultants of Canada and the United Kingdom.
